J's-from even Joesten's cleansing to make himself look less bad, this is the vilest. I have no Veritas file, but the name is familiar.

Dear Sirs,

Joachim Joesten says you have for free distribution and quotation a pamphlet titled,"Everything you always wanted to know about Jacqueline Kennedy's behavior at the moment of the assassination of President John F. Kennedy", etc.

I'd appreciate a copy of this and anything similar you may have.

Sincerely,

Harold Weisberg
